'Neither rain, nor sleet, nor dark of night...'

"Neither rain, nor sleet, nor dark of night" shall keep us away. You may think we're talking about malt delivery but our subject matter is your NWAGA Officers and Board which met March 27th and 28th in Grand Island, Nebraska. It was pouring down rain but there were some of your representatives who brought their golf clubs, just in case we had the "wait a minute" change in Nebraska's weather. There were 25 clubs; 53 Officers and Representatives in attendance. Representatives were there from Valentine, Chadron and Kimball, and look out gals, one MAN from Omaha!

HARD TIMES PARTY

The 'Hard Times Party' held on Saturday, April 26, 1980 brought a large, tattered, torn, down on their luck looking bunch. The menu consisted of Mule ribs, Rattlesnake and noodles, Energy savers, Fried Cow Chips, Hy-brid on the cob, and Depression pudding. The tables were decorated with newspaper tableclothes, dead flower centerpieces and Ho-bo sacks.

The music of the Rol Stock Combo added to the pleasure of the evening as the dance floor was packed with unrecognizable club members. A real fun time as had by all.

"Oh dear! How did this happen?"

Peggy Noble

SUCCESSFUL WOMEN'S STAGETTE

No one could come away as a "loser" at the May 7th Lochland Stagette. The excellent turnout of lady members and guests all considered themselves "winners" by being on hand to enjoy the fun, fellowship, and fabulous food. Our club manager really surpassed himself in planning a marvelous buffet. Ruff Hopp kept a watchful eye on the game regulations, while seven very capable dealers handled the gaming tables. We would like to thank them all for their very important contribution.

Those of you who weren't able to be there, whether you enjoy games of chance or not, missed an outstanding evening of entertainment. Next time, come, bring a friend, and maybe you'll be a "winner" too.

One gal I know is still feeling a bit lighter, \$23 lighter in fact. But says it was worth it.

Las Vegas Hit Man.

"Did I do that?"

Doris Laird — "I want my payoff now!"

Dianne — "That's not fair!"

Wow! Those gals must have robbed a bank!

Talk about high rollers...

Women's city golf meet is called off

The 1980 Hastings City women's golf tournament has been canceled. City women had been scheduled to play golf Tuesday, Wednesday and Friday at Elks, Southern Hills and Lochland Country Clubs.

Mrs. Ted Hoelck, president of the committee which set up the tournament, said Sunday's meeting produced a 6-2 vote to cancel the tournament. Hoelck said the committee felt 33 entries were not enough to warrant holding the city tournament.

"They felt they're weren't enough to play in it," she said. "There weren't enough signed up."

Lochland Country Club announced its women golf officers for the 1980-81 season at a wine and cheese party recently. Special certificates were awarded to Billy Drake and Ginny Evans, who are leaving town.
