

Lochland Memberships 2020

LOCHLAND COUNTRY CLUB

It's a great time to become
a member! First-time
membership incentives make
now the perfect time to join!

*"I am very grateful for Jim
McDonald's vision to do this for
Hastings and for the people who
have carried the idea ever since."*

*- Gretchen Lainson,
charter member*

We'd love to continue the conversation about how we can make Lochland work for you. Contact Claire Bostelman at claire@lochlandcc.com or 402-462-4151. Visit us online at lochlandcc.com or facebook.com/Lochland.Country.Club

What's Included

GOLF

Our course completed an extensive renovation project, and is winterized by covering greens during the harshest winter months of the year. During this time, our indoor golf simulator gives members year-round access to play. Our 18-hole course includes 35-acres of fairway, five acres of teeing, and three acres of putting. General, Junior, and Area members enjoy unlimited access to golf. Social Members may play the course four times, and the simulator four times. Guests are welcome under the guest policies.

UNLIMITED DINING

Our from-scratch kitchen boasts outstanding hand-selected recipes for brunch, lunch, and dinner. Weekly dinner specials are released every Friday, perfect for rolling Happy Hours into dinners. Guests who are accompanied by members may dine without limitations on quantity of visits.

THE WHOLE FAMILY

All memberships include members of the immediate family (grandparents and grand-kids are excluded). Members may bring guests to most events, but must abide by the guest policy.

TENNIS & PICKLEBALL

Redone in 2009, our courts are home to regular competition with men's, ladies' and mixed tennis leagues. We host weekly pickleball nights as well! Not familiar with pickleball? Our Tennis Pro hosts a couple Pickleball Demo Nights in the spring and summer to get new players (and their friends) familiar with the rules in a group setting.

VENUE RENTAL

Our modern clubhouse offers some of the best facilities in the area. With overlooks of our famous golf course and several rooms for groups of 10 to 250, we have the right space to fit your needs. All members receive waived rental fees for business meetings or personal events. Our full-service staff takes care of room setup, linens and dishes, and offers several banquet menu options.

DINING SPECIALS

Our in-house kitchen regularly features unique items through daily lunch specials, weekend dinner specials, monthly discounted meals, and special Saucy Suppers. Our bar manager rotates drink menus, with a highlighted drink of the month.

SPECIAL EVENTS

We love a good party, and throw several Special Events throughout the year, including our 3rd of July Extravaganza, Father Daughter Ball, Couple's Golf Beer & Wine, and Santa Brunch to name a few. Members may participate as often as they'd like, and may bring guests as allowed in the per-event guest policies.

SWIMMING POOL

Our pool is open to members for unlimited use, including the ability to reserve Saturday Nights for private parties. Our pool area features the Pool Cafe, with full-service food and drinks poolside. Family and friends may join under the Pool Guest Policy (never more than \$5 per person per visit).

About Lochland

LOCHLAND HISTORY

Lochland was first incorporated in 1959 as Hastings Country Club. Because of founder J.M. McDonald's Scottish Heritage, and because of plans to build a lake into the golf course, the club was renamed Lochland Country Club in 1960 ("loch" is Scottish for "lake"). June 1961 marked the first year the course was open for play.

"The finest country club between Omaha and Denver,"

- Sunday World Herald, 1963

In 2000, fire destroyed the existing clubhouse. The current clubhouse was rebuilt in the same location, and opened in 2002.

An expanded pool area and renovated tennis courts were celebrated in 2009.

Project Emerald Green was completed in 2016. With these efforts, the entire course had been renovated, and greens are still covered during the winter to protect the investment. In 2019, our golf offerings expanded to include an indoor simulator available late fall through early spring.

LOCHLAND TODAY

Over the decades, membership levels, leadership, and commitments have changed. Our current structure includes an Operating Board of nine members, four membership levels, and more than 400 memberships (1200 individual members). Three of our four membership levels include full access to golf (General, Area, Junior), and our Social Membership includes four rounds of golf on the course, and four in the simulator.

Food minimums were put back into effect in 2020, with a required \$25 per month from all memberships.

LOCHLAND TOMORROW

Lochland continues to evolve with our members, the community, and the cultural shifts at large.

Where will we go next? You can help us decide! All memberships hold stock, which provides every membership with voting rights on board members, new policies, and initiatives. In addition, we regularly activate committees of passionate members to guide Lochland to its optimistic future.

Corporate Memberships are available, which offer General Membership access to employees (with their families considered guests). For more information, contact Claire at claire@lochlandcc.com or 402-462-4151.
